ORDER

Admissions to Ph.D. is conducted annually at the beginning of the academic year. As this admission notification is issued only once a year, the aspirants get only one window of opportunity to secure admission.

Many institutions have adopted the concept of “rolling admissions” for their Ph.D. programmes providing a flexible application window to aspiring scholars

A proposal has been placed before the 139th Academic Council to decide on the modalities for implementation of the rolling admission process in KAU and the proposal was accepted.

The standards for rolling admission are as follows.

1. The admission authority will consider applications twice in an academic year before the commencement of the odd and even semesters.
2. The total number of seats available in each discipline will be notified for admission to the odd semester.
3. The seats left unfilled in the odd semester will be filled in the even semester.
4. The University will notify the vacancies and call for applications, review the submitted applications, and notify the applicant of the decision.

In consonance with the decision of the Academic Council, the following orders are issued.

For admission to Ph.D. programmes, Kerala Agricultural University will notify the left-over Ph.D. seats after the regular admission and fill the vacant seats through a “rolling admission” process.
